

# SoCraTes 2014 Sponsorship Packages

Thank you for your interest in making SoCraTes 2014 happen!

We invite you to sponsor the conference and help make this event brilliant. Our financial backers make a huge difference to the event and help make sure it's fun and affordable for our attendees. All sponsorship contributions go towards the organisation of the conference, materials and the cost of room and board.

As SoCraTes is a not-for-profit conference, you can be certain that all contributions will go directly toward making it as interesting, informative and enjoyable as it can be. We offer three sponsorship packages:

## Basic

Your logo will be placed on our website to show your support of our community and the creation of sustainable, useful software.

You can use our logo in your marketing activities to let your customer and your future employees know about your support.

We offer you our public gratitude at the beginning and the end of our conference.

We will allocate one ticket for you, so you or one of your colleagues can be sure to participate in the conference.

You can place your printed logo (size A3) on a pinboard in the main room of the conference. The print-out must be provided by you.

## Comfort

We will allocate three tickets for you, so you or your colleagues can be sure to participate in the conference.

You can place your printed logo (size A2) on a pinboard in the main room of the conference. The print-out must be provided by you.

You may send us a short video sequence (20 sec. max.) which we'll show at the beginning of our conference.

In our mailings and messages in social media we mention your company with a link you provide.

## Premium

We will allocate five tickets for you, so you or your colleagues can be sure to participate in the conference.

The printed logo may be of size A1. Alternatively you can place a single [Roll-Up](#) into the main room of the conference instead of a printed logo.

The duration of your video can be 40 seconds.

If you are interested in sponsoring,  
please contact Joachim Schirmacher:
